Use this IRA Application to open a Traditional, SEP, OR ROTH IRA.

### IMPORTANT:

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. When you open an account, you will be asked for your name, date of birth (for a natural person), your residential address or principal place of business, and mailing address, if different, as well as your Social Security Number or Taxpayer Identification Number. Additional information is required for corporations, partnerships and other entities. Applications without such information will not be considered in good order. The Fund reserves the right to deny an application if it is not in good order. Please note that the value of your account may be transferred to the appropriate state if no activity occurs in the account within the time period specified by state law.
